THROUGH THE SEASONS AT BETHANY

THE 1953

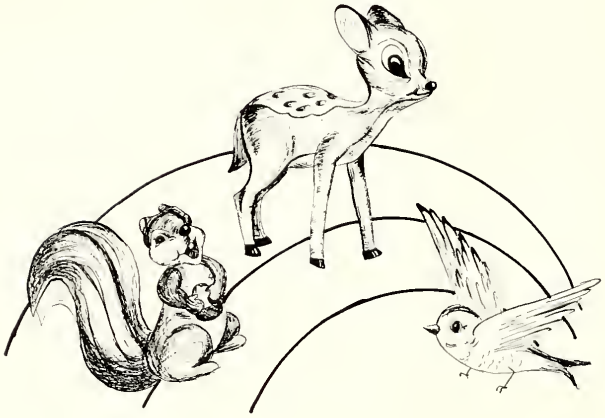
BETHANIAN

Presented by the Senior Class

BETHANY COLLEGE

BETHANY, WEST VIRGINIA

Foreword



As you leaf through the pages of this annual, while listening to the strains of the "Alma Mater" or the "Bell Song," the *1953 Bethanian* staff hopes that you may relive something of your year at Bethany. Of the many events which now remain only as memories of the past; some are more vivid than others, but they are all a part of the friendly atmosphere and the traditional heritage that are typical of life here at the "college on the hill." The enthusiasm of the Freshmen, the noise and color of their parades, all the thrills of football games in early fall, the crowded Homecoming weekend; the excitement of the pre-Christmas season with the choir's presentation of "The Messiah," the gaiety of the all-college Christmas dinner, the faculty play; the intensity of "Joan of Lorraine" and "Darkness at Noon;" the welcome for the new President; the festivities of Founders' Day; and finally, what is the most vivid for Seniors—all the Pomp and Circumstance of the seventh day of June. All this is Bethany—from the brilliant hues of Fall to the fleecy down of Winter and the green magic of Springtime . . . Bethany as kept within the covers of *The Bethanian.*

Summertime

Bethany's campus is lulled with silence as the students depart for the summer. Some students and faculty travel abroad, others at home; some broaden their experience with new and interesting work; some get acquainted with other campuses during summer sessions.

Bethany slumbers; but the tower clock still chimes on!

Dedication

Present the facts and do not appease the rumor. Employ your own imagination and originality. Avoid imitation.

For a quarter of a century "Prof" Roberts has expounded these general criteria of finer journalism to innumerable Bethany students. However, "Prof" has been far more than just the head of the journalism department. He has virtually become an institution within an institution.

His courses have long been noted for a variety of subject matter, a variety which gives him the right to be called Philosopher of Bethany. His criticisms have been accepted as inspiration, a rare but essential quality for such a field as writing.

His interest in his students has been genuine. Certainly his "news letters" to graduates of his department, which in themselves exemplify the warm virtue of his personal touch, manifest this particular characteristic. What Bethanian would not smile at being reprimanded in this Roberts' chronicle for a grammatical error in his letter to "Prof?" Or which one would not chuckle at being individually scolded for not attaining higher goals in life more rapidly?

His idiosyncrasies, his subtle humor and wit, and his appreciation of the human element, have earned him a place of high regard in the Bethany family. After twenty-five years of such service, it is a humble privilege to dedicate the *1953 Bethanian* to "Prof" Roberts.

FALL

New life comes to Bethany.

President-Elect

Perry Epler Gresham, Bethany's President-elect, comes to our college with an impressive background in education, the ministry, and public life. With him are the good wishes of Bethany's family and the hope that he will maintain and strengthen our Alma Mater.

Board of Trustees

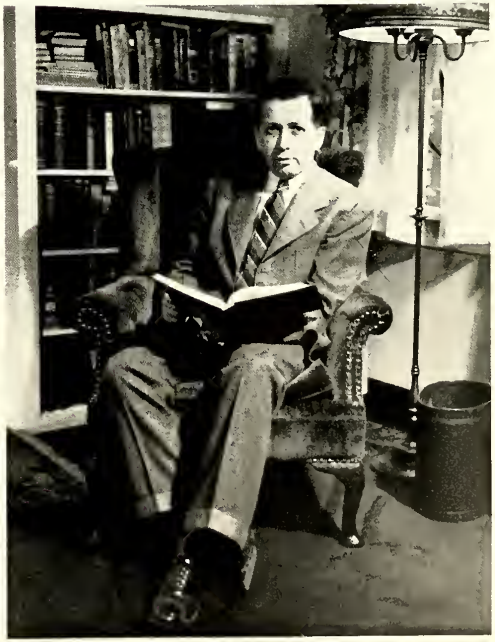
Seated around the table, left to right: R. R. Renner; Robert D. Hurl; Warner G. Peterson, Treasurer; J. Park McMullen; George J. Barthold; Miss Pearl Mahaffey; John Marshall; Forrest H. Kirkpatrick, Secretary; Bernal R. Weimer, Acting President; Sidney C. Porter, Chairman; Hollis L. Turley; Merritt J. Davis; Thomas W. Phillips; Mrs. Helen I. Wyckoff; Michael J. Kasarda; Gerald A. Guild; Daniel F. Mullane.

Dean of Faculty and Acting President

Versatility is the outstanding quality of Bernal Weimer, Acting President and Dean of the Faculty. The added weight of more duty never slowed a cheerful heart.

Dean of Students

Forrest H. Kirkpatrick, Dean of Students, has been on leave of absence this year. He has served as Assistant to the President of the Wheeling Steel Company, working with the same efficiency—enthusiasm that has marked his twenty-five years of service to Bethany.



Dean of Women

Along with a sincere interest in Bethany students and their activities, poise and dignity characterize the administrative qualities of Mary Eleanor Tyler, our Dean of Women.

Dean of Men

G. William Hettler, the Dean of Men, weathered the storm of undergraduate pranks and tumult in a firm and quiet manner. French and German remain his first loves.

September 21 was the red-letter day—the first day at Bethany for the Freshmen. Little did they dream that first day as they gazed at each other, that they would be given the title of "pace-setters."

Freshman Orientation Week will remain as a memorable experience: tests; green and white beanies perched on curls and crew cuts; name cards; reception lines; sophisticated upperclassmen.

The class was successful in presenting the Freshman Follies which revealed much undiscovered talent in the class.

Bisons stop Tech at mid field in Wellsburg Stadium.

Football hopes were high for the Bisons in early September but went glimmering as the season progressed. Coach Don Fuoss' pre-season prediction that the success of the Bisons would depend mostly on whether or not suitable replacements could be found to give depth to positions and to fill in for key performers in the event they were injured, proved to be very true. Injuries cut into the thin squad from the first game. Had there been just a few more men of caliber equal to those who carried the brunt, there probably would have been a different outcome than the 1-6-0 record which the Bisons compiled.

Co-captain Bill Aldrich—great guard. Senior Herb Johnson gets Bison out of own territory with long punt. End Gordon Anderson.

Co-captain Bob Decker, who set WVSIC passing records in 1951 by gaining 1,130 yards in eight games via the aerial lanes, was the chief target for the opposition. While Decker saw only limited service throughout the season because of an aggravated injury, once again he led the WVSIC in total yards gained passing by accumulating 855 yards in seven games.

In the Davis and Elkins game, it was an even battle throughout the first half. Lack of bench strength caught up with the Bisons during the second half and D & E pulled ahead to win the game, 40-20. The bright spot in the game for the Bisons was Decker's three touchdown pitches to Boyer, Valot, and Taibi, as he gained 242 yards via the aerial lanes against D & E.

The following week the Bisons met Carnegie Tech at Wellsburg Memorial Stadium. After a nip and tuck first half which saw Tech leading by a 7-0 score, lack of bench strength again caught up with the Bisons and the final outcome was 27-12. Little George Taibi thrilled the crowd with a 72 yard touchdown run and a Decker to Boyer touchdown pass covering 65 yards was equally as impressive. Defensive captain, Ron Zucchelli played an outstanding game.

End and defensive threat—"Bo" Valot. All time Bethany great, Bob Decker about to connect on a long pass. Punter Herb Jonson.

Senior George Taibi caught by camera as he makes one of his famed long runs for a "TD." Best on defense—"Slugs" Zucchelli.

The Carnegie Tech game proved costly to the Bisons as there were numerous injuries, and Lazasz, Chaney, and Bill Pollock received fractured bones during the contest. These men did not see action again until the final home game of the season against Marietta. In the meantime, the Bisons were held scoreless on three consecutive Saturdays while Westminster scored 33 points, Waynesburg accumulated 35 points during a rough contest which resulted in additional Bison injuries, and Hiram defeated the Bisons by 18 points. During this time Coach Fuoss shifted his personnel around seeking replacements to fill positions in an injury-riddled line-up, but this proved futile.

After an open date on November 1, the Bisons took the gridiron against Marietta in their final home game of the season. A revived Bison team almost at full strength for the first time since the Carnegie Tech fray defeated Marietta 32-0. Co-captain Bob Decker broke the WVSIC record for yards gained passing in a single contest by completing 19 passes for 266 yards. Sophomore Bob Boyer scored four of the Bisons' five touchdowns, three on passes from Decker and one on a 64 yard dash through the Marietta line. Freshman Virdyn Caldwell scored the final touchdown on a pass interception. Co-captain Bill Aldrich and Ron Zucchelli

Senior Dan Altemese. Backer-up Wheatley attempts interception in Davis and Elkins game. Bison record breaker—Bob Decker.

played outstanding defensive football. After holding a 6-0 lead at the end of the first half, the Bisons, playing most of the game without the services of injured Bob Decker, were unable to hold Grove City in the final game of the season. The Grovers were out to avenge a 33-12 defeat which the the Bisons had inflicted upon them the previous year. The Grovers were successful, and the Bisons ended up on the short end of a 19-6 score. The Bisons' only touchdown came on a 13 yard pass from Decker to freshman Jack Mox.

The Bisons lose the the following men by graduation from the 1952 squad: Bob Decker, Bill Aldrich, Ron Zucchelli, George Taibi, Dan Altemese, Herb Johnson, Gordon Anderson, and "Bo" Valot. On the 1953 football schedule, the powerful Carnegie Tech Tartans and the equally powerful Waynesburg Pioneers, Tri-State Class B champions for the past two years, will be replaced by Thiel College and Capital University. The remainder of the schedule will be the same as in 1952. The Bisons are looking forward to a better year in '53!

Pep and enthusiasm are evident characteristics of this squad which Bethany is proud to claim.

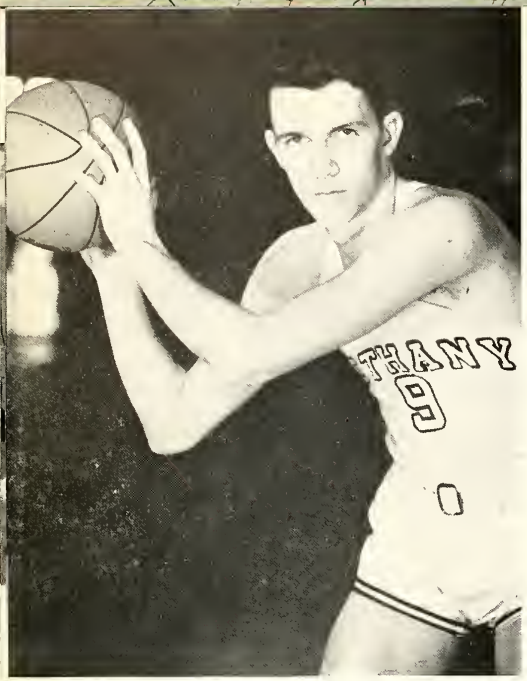
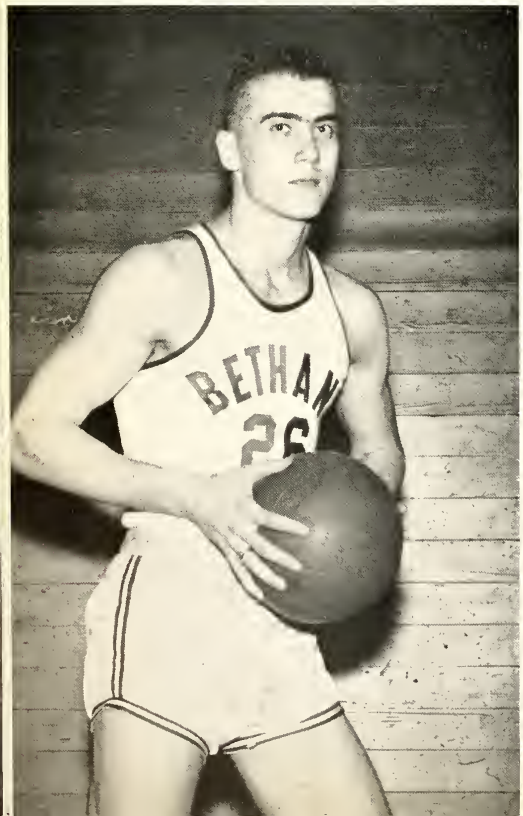
Basketball

Led by senior Captain Bill Aldrich, the Bethany basketball squad finished up the '53 season with a record of nine wins against twelve defeats. Playing a rugged schedule, the Bisons even in defeat, looked good as most games were decided in the final seconds. With Aldrich, Bill McClay, Jack Wheatley, Ed Kakuk, and Bob Hettler hitting the hoop, there was no stopping the team once they started rolling. Others who did some outstanding work on the team were Gene Beisel, Gordo Anderson, Danny Altemese, and frosh Art Gheen, a real comer in the basketball world. Some of the outstanding highlights of the campaign were such tilts as the second Westminster game, when the Bisons drubbed the Titans easily in one of the big upsets of the district, and one of the few times in past years that the Green and White stopped Westminster. Another star-studded game was the Thiel game in which the Bisons fought back from a seventeen point defeat and won the game in the closing seconds on goals by Art Gheen. Included in this array of great games must be the W. V. U. game which saw the locals hold the highly-touted Mountaineers to a tie ball game at half time really giving the fans a treat before being defeated in the closing minutes.



Defensive—Offensive Bison . . . Bill McClay.

Future star for Bisons—frosh . . . Art Gheen.



Outstanding all season for Bethany was Bill Aldrich, who was not only appreciated by Bison fans but also by district sports writers who named the high scoring ace to a position on the all-district squad.

Green and White Bethany Bisons fight for ball under the bucket.

As tourney time rolled around, the Bisons had hopes of doing something in the classic, but the ball club from Wesleyan found the Bethanians on an off-night and nipped them 68-62, bumping the home team out of the tourney.

Action underneath as Bisons fight for victory in a tight ball game.

Next year the Bisons will see four of the present starters back to add more laurels for the Bisons in the basketball world.

Best ball-handler of the squad . . . Jack Wheatley.

Outstanding for pivot shots . . . Bob Hettler.

Strong rebounder and good set shot . . . Ed Kakuk.

Alpha Psi Omega

The "King" listens as Lennie sneers.

No matter what the season, the members of Bethany's Beta Gamma Chapter of Alpha Psi Omega, national dramatics fraternity, always make their plays a success. Their purpose is to organize interested Bethanians into a group for the development of the theater in college life. Under the capable direction of Mr. Bluem, two excellent plays were produced: the stirring "Joan of Lorraine" and the soul-searching "Darkness at Noon."

Behind the scenes, the makeup crew is at work.

Varsity "B"

The Varsity "B" club added a talent show to its usual list of activities for the year. At this time, they found unknown campus talent. The Freshman Tribunal, not too popular with the freshmen, also came under the leadership of the Varsity "B". They held raffles and sold refreshments at all college games. Leader of this group for the year was John Dallas.

Baseball

The Bison baseball diamondeers, coached by John Knight, have just about completed another season and one which saw some great ball being played by the locals. The '53 season's team, bolstered by such lettermen as pitchers Jack Wheatley and Ed Kakuk, kept the Green and White hopes high throughout the season. Other veterans included catcher, "Fuzzy" Karr; infielders, John Grunzweig, Rich Edwards, and Slugs Zuchelli with the outfield being capably handled by Sonny Thomas, George Russell and Buzz Austin. Austin continued to show that extra something that makes baseball what it is today. Last year Austin led the Bethany squad in batting. Around to harrass opponents next season will be almost the entire squad which should make the Bison territory a spot for good baseball.

Bison infielders ready for that hard hit groundball . . . Austin practices for the handshake after homerun.

Front row, seated, left to right: Charles McKee, Bob Boyer, John Dallas, Dick Whitehead, John McLaughlin, Tom Beadle, Toksen Chin, George Taibi, Charles Linn, Elmer Haupt. *Standing, left to right:* Coach Don Fuoss, Brad Bearce, Sal Orlando, Merlin Valot, Ray Griffith, Manager Ted Kemp, Charles Gates, Bernard Oakes, George Hearne, Ed King, Assistant Coach Larry Becker.

Track

Performing as Bethany's best in spring sports, the Bison track squad is about to end the present season. Coached by Don Fuoss, the team met such teams as Hiram, Slippery Rock, W & J, and others to round out the schedule. John McLaughlin and George Taibi, two of the Bison seniors, have competed for the last time for the Bethany, both have compiled great records for the college. McLaughlin has set records in both the dashes and the broad jump, while Taibi has put his name on the 440 record. Other runners that gave the team a lift was Tom Beadle, who has run the half and mile runs for the past three years and has always done a commendable job. Tok Chin, sophomore, has also shown himself a great athlete for the Bisons as his efforts in the hurdles and the broad jump gave the squad needed points. To a squad that really worked . . . thanks for a job well done.

Bison miler, Tom Beadle takes lead in Slippery Rock meet.

SENIORS

With the coming of Spring, each Bethany Senior is faced with the realization that his college days are limited. For four years he has climbed the hill to his early morning classes, paced the corridor, and never failed to scan the notices of events which were foretold on the bulletin board. But now that Spring has come, he knows that his trips to Old Main are numbered.

He becomes more keenly aware that there will be many other Springs ahead of him and many other hills to climb. The seasons which have entered and exited throughout his college days have become an integral part of his life, for they have offered him valuable experience not only in knowledge but in daily living.

In the Spring the Senior prepares to leave Bethany, his Alma Mater, for the last time. Yet, in doing so, he prepares to apply to his future life those benefits which she has given him.

Farewell, Alma Mater . . . we leave the steps of Old Main as alumni, prepared to face bigger issues of life in a career or in a home. The memories of Bethany are too strong for us ever to forget the experience gained throughout our four full years . . .

TO BETHANY'S GRADUATES – WE ISSUE A CHALLENGE

● A new idea — complete liberty and freedom for the individual was "declared" in our Declaration of Independence.

● For the very first time, equal opportunity was provided for everyone with the incentive that the fruits of one's labor could be retained as a personal reward for personal effort.

● This idea sparked a chain reaction and in America's short 177 years, we have witnessed such an "explosion of human energy" as all history has never before seen. The results — more of everything, the highest standard of living and human dignity.

● Will you help this chain reaction and keep America the Land of Opportunity with Individual Freedom?

"Hocus Pocus" Won't Produce Results!

The Honeymoon is over! Now is the time to advertise. Don't expect to sit in your nice warm office and expect the orders to come to you as they do to the Advance Printing and Litho Co.

The addition last week of another 4-magazine linotype and Kluge automatic press only proves our growth has been the result of our customers' demands . . . from the hand-fed platen press to the high-speed automatic cylinder presses there is no printing or lithographing job too great or too small to prove our ability to serve our customers promptly and efficiently.

We have no preference as to the type of printing required. Our normal production is most versatile and includes most every item required in this age of modern merchandising.
